Look what's happening...

Dates for your Diary

- Wheelie Day! — **Wednesday 22nd May 2024** To celebrate our Whoosh topic this half term we invite all children in Reception to bring in a bike or scooter as well as a helmet.
 - EYFS Sports Day— **Wednesday 19th June 2024**
Nursery 9:30-10:30am—Reception 1:45-3pm

SNACKS

Could children in the Nursery please bring their snacks in a separate pot to their lunch. Often children want to eat everything in their boxes leaving them little for lunch. Thank you!

Reminder

If we have sent home clothes could you please return them as soon as possible. We are running very low.

If you have any spare clothes or wellies to donate, they will come in very handy.

Many thanks!

Names, names, names

Please make sure all items are clearly labelled with your child's name. This includes clothes, water bottles, lunch and snack boxes

Nursery Bags

Could children come to school with spare underwear, socks and trousers/tights etc. Don't forget to include nappies and wipes in your child's nursery bag too. Thank you!

Nursery Preview Learning

Welcome back to the sunny Summer Term!

Taw Class have kicked off their new topic '**WHOOSH**' by exploring the word **fast**! We are currently using The Naughty Bus story as a focus text to guide some of our learning; everything from imaginative play using a variety of vehicles to exploring track marks in paint.

We will be exploring different ways of travelling in the coming weeks, please could you send in some photos of your child using different modes of transport such as walking, scooting, cycling, riding in a car/bus/train/plane etc. We will use these in a display within the Nursery for the children to look at and talk about with one another.

Lastly, a huge well done to our newest members of Taw Class, who have joined us last term, you have settled beautifully and make a great addition to our wonderful class. Also a big well done to our current children who have done a fantastic job at showing our new members where to go and what to do, what helpful role-models you are becoming.

Reception Preview Learning

We hope you all had a wonderful Easter

We are in full swing of our **WHOOSH** topic. The children have designed their own future vehicle inventions, explored where they would like to travel around the world and what transport would be best to get them there. We have compared old and new transport and discussed how it has changed. Next week we are providing children with a variety of materials and resources in order to build a vehicle of their choice, we may even be able to test how fast they travel. We will also be looking closer at maps and travel as well as comparing different places.

Thank you for all of your on going support reading the phonics books at home with your child, we are so proud of the progress the children are making in reading. Please make sure you bring your child's book bag each Tuesday so we can send home their next book. Thank you again!

In **Maths** we have been exploring numbers to 20 and developing our subitizing skills to 10.
