EYFS Sports Day!! Wednesday 19th June 2024

Nursery (children aged 3-4 only) 9:30am-10:30am—Reception 1:45pm-3pm

This year we are so pleased to be able to welcome parents back into school to watch our EYFS Sports day. Nursery and Reception will be placed into small groups to work around a course of activities on the school field. You will be able to move around the field with your child's group and watch each challenge. We ask that once children have all said hello to their grown ups you encourage your child to stay with the member of staff supporting their group so we can keep them safe and with the correct group. Once we have all finished the children will wave goodbye and head inside to enjoy a well deserved ice lolly!

Summer is Here

Now that it is getting warmer please ensure your child has water, a sun hat and labelled sun cream in school.

Thank you!

Toileting

Across EYFS we are focussing on supporting Parents and the transition to Potty training their child. If you would like any help or support on this please speak to a member of the team. Thank you!

Nursery Preview Learning

We have dived into our 'Under the Sea' topic **SPLASH** to see the last few weeks of the year out. We have explored many sea creatures already; sharks, octopus, stingrays, dolphins, fish and crabs.

We will be creating our own rock pool with soapy water for sea foam, small stones and an abundance of small-world rock-pool animals. We will dance to 'Octopus's Garden' by the Beatles and practise shark dot-to-dots with numbers to 5 and beyond.

We look forward to engaging with the children's interests alongside this learning and spending time with the children for these last couple of weeks before the end of term.

We have been practising our sports day skills this week too, ready for our Sports Day next week. Sports Day is for Nursery children aged 3 and 4— Don't forget to wear your trainers!

If your child would like to take part but does not attend on Wednesdays you can bring them along for the hour, just let us know if you are popping along.

Reception Preview Learning

What a fantastic start to the new term we have had. In Reception we have been treasure hunting, map following, meeting pirates and exploring stories from the Sea. The children really enjoyed meeting Pirate Ellison, she came to visit and the children interviewed her to find out about life on board a boat and where the best place to bury treasure?

The children built a pirate ship outside and have been role playing lots of fantastic imaginative play.

Phonics

We are continuing to revisit phonics daily.

Children are working on applying their phonics skills to write simple words and sentences. If you have any questions please speak to your child's class teacher.

We are looking forward to Sports Day. Reception's Sports Day starts at 1:45pm please head to our main EYFS door to come on in.
